Siena Francis House Meal Serving

Hope Church is blessed to be able to help out for a once-a-month ministry at Siena-Francis House. We serve meals at Siena Francis House – and are scheduled (nearly) every 1st Saturday of each month. Time invested is only a few hours (4 pm-7 pm) and the signup sheet is located in the Narthex on the side table. Not much is easier than that – and the rewards are immense! Please sign up to help...it is a worthwhile project that Hope Church has embraced wholeheartedly! If you are interested in you and your family, friends or small group taking over a month (all by yourselves), please contact Mark Canady or the church office for more details. Our next meal to be served will be April 2nd, so sign up to help out!

Those serving for the Feb 6th dinner were Ken & Jolene Andersen, Dave Schives (Jolene’s brother), Tyler Schives (Jolene’s nephew), Mark & Hannah Canady, John Kuebler & Shannon Danker (Mark Canady’s co-workers), and Shannon Danker’s brothers, Noah & Sam Dickerson. Thank you for your help in this mission opportunity!

Siena Francis House Women’s Retreat

Thanks go to God above and the nine Women who helped to put on this Women’s Retreat. The theme of the retreat was “Wonder Full World Where Women Explore God’s Love and Wonder”. We had thirty-seven (37) women come to the retreat. We visited three different continents – Asia, South America, & Africa – and we served snacks that are consumed in those different continents. Our Wonders were: I wonder if I matter to God…. – I wonder if I can really rely on God…. and I wonder if I can make a difference.... (In this last section the women made a difference by tying 6 baby blankets for the new babies born at the Siena Francis House.)

One of the first exercises we had at the retreat was for the women to write down on a 3X5 card what some of their WONDERS were. It could be funny or serious, it didn’t matter. Because we want to share some of their responses with you they will be posted on the Mission Bulletin Board in the Gym. There are no names on these so everything is anonymous. We will also post a few of the journals that were left behind. Feel free to read them and get an insight of what some of these women think and go through. As my Grandmother said “GOD doesn’t make junk”. These women need to know that they are worthy of God’s love.

The Mission Committee would like to thank the following women for making this a success: Tracy Comba, Jenny Dunford, Denise Kendrick, Nancy Mittelbrun, Diane Snyder, & Thelma Symanietz. A special thanks go to Linda Reffert and Julie Reeks for working many hours to help Kathy Andersen put this retreat together.

Dear Hope Friends,

You make me smile! I just wanted to return the favor. My thanks to you for cards, calls, visits, and prayers. It amazed me how much receiving a card saying you were praying for me and wishing me well meant so much to me. You make me smile! I just wanted to return the favor. **Hope 3 on 3 basketball tournament to support Abide**

Thanks to Adam Briley, Dave Fehr, Ken Anderson, Eddie Kraska for helping run this event. Hope raised $580 to support Abide and informed over 40 people about Abide’s mission and the work they are performing partnering with churches to help rebuild Omaha neighborhoods. We plan to make this an annual event to support Abide in Hope’s growing partnership with this great organization working to reach our inner city neighborhoods through God’s love.

**Hope Annual Garage Sale**

Since the month of March was unusually warm, some of you may have gotten that itch to start some Spring cleaning or are wanting to get rid of a bunch of items in your basement or garage. This year Hope’s annual garage sale will be June 3-4. Please consider holding your items until then to donate to this great event. Every year the proceeds of the Hope mission garage sale are donated to local charities in need. This past year these funds supported Abide, Rebuilding Together, Siena Francis house women’s retreats, Mission trips, and the Presbytery partnership with La Concepcion Nicaragua.

**Red Cross Blood Drive**

Thanks to all those who participated in the February 27 Blood Drive. Hope was able to donate 18 pints of blood to give the gift of life to others. The next blood drive at Hope is scheduled for Saturday June 25 (7am – noon). The Blood Mobile will be in the parking lot in front of the church. Please contact Dave McKenna, 402-333-3061 or d.j.mckenna@hotmail.com or David.McKenna@bankoftheWest.com if you would like to participate.

My name is Kylie Comba, and I will be traveling to the basin of the Amazon Rain Forest in Ecuador as part of a travel abroad program through my school Wayne State College, beginning June 2. One of the things we will be doing is temporarily living with a native tribe called the Sharamensa. There is a service learning/mission component of this program in which we each have an assignment to enhance the living conditions of this native tribe. My assignment includes soccer and fishing. My goal is to donate soccer balls and play soccer with the kids and donate fishing supplies and fish with the natives. To help make my mission a success, I’m asking if anyone has any used soccer balls or extra fishing supplies (such as fishing line, hooks or other small supplies) to donate to my cause. Anything donated would be an upgrade from the primitive means they now use and would make self-sustenance for this tribe much easier. If you can help, you can email me at combakylie@yahoo.com or text me at (402) 676-5815. Or, you can also talk to my mom, Tracy Comba, whenever you might see her. Thank you very much for anything you can help provide!
Twenty-two years ago, Rebuilding Together began under the name Christmas in April. Rebuilding Together’s mission is to bring volunteers and communities together to improve the homes and lives of low-income homeowners. Their vision is to provide a safe and healthy home for every person. This organization has coordinated teams to make a difference in the lives of over 1,930 low-income elderly or permanently disabled homeowners. Every year teams of volunteers fix up elderly Omaha citizens homes to make them safer to live in. Rebuilding Together also accepts donations of used appliances and extra building materials to be reused in Omaha homes.

For more information on Rebuilding Together, you can check out their website at http://rebuildingtogetheromaha.org/ Facebook site https://www.facebook.com/RebuildOmaha or follow them on Twitter @RebuildOmaha.

Last year Rosetta Herron was one of the people helped by Rebuilding Together. Rosetta Herron wakes up every morning and heads off to school to work on the ABC’s… I know what you’re thinking; Rosetta must be in grade school. She is in fact an 86 year old volunteer that spends all day, every day, at Druid Hill Elementary School. She gives tirelessly to help teach the children of the next generation the foundations for which they learn everything else in life.

Rosetta has volunteered at Druid Hill since the day she retired over twenty years ago.

Rosetta needed help. She has owned her home for over forty years and had repairs that were beyond any ability she had to fix. Her roof was leaking causing extensive water damage throughout the house and needed to be replaced.

Rebuilding Together Omaha has the privilege to work with homeowners like Rosetta every day.

Many of you in our congregation have participated with the Hope team to help rebuild these elderly Omaha citizens’ homes. This is the 15th year Hope has participated in this outstanding program. This year we will be performing all outdoor work to clean up the yards and make the exterior of these individual’s homes in North Omaha safer.

The Rebuilding Together workday is Saturday April 23, 9am – 4pm.

We would love to have your help even if only for a few hours. You do not need to be skilled to help out. There are many jobs to perform: painting, lawn work, trimming bushes, raking, cleaning windows. Please prayerfully consider joining the Hope team to help us serve God by helping others. If you would like to volunteer to help with this project, please contact Brian Claus, briantaclaus@cox.net, 402-616-5232 or sign up on the sheet in the lobby.

At the last Session meeting we were given an update on how our search for a new Associate Pastor is going. It is exciting to think about the energy, enthusiasm and wisdom this person will bring. We had a small taste of this when John Molacek was with us for the brief time he was here. We need to get ready for the new experiences that will come with a new Associate Pastor. There will be new opportunities for us to grow our discipleship and renew our programs, especially in the area of children, youth and family ministries.

Our current financial state makes me nervous; we are on the edge in terms of income received. I am asking that you join me in reconsidering our pledges for the remainder of the year to ensure the beginning of this new era will go smoothly. It is a step of faith to give before receiving; to increase our giving because we have hope and trust instead of satisfaction. In preparation for what God will be doing through our new relationship with our Associate Pastor we will have a special Sunday in June where the entire congregation is going to be asked to turn in pledge cards with new pledges for the last six months of the year. Between now and then prayerfully consider how much you can increase your pledge for this six month time frame. This will help our church and its ministries get to the next level and help make better disciples of us all. You will be hearing more on this in the coming months.

Hope Church has been selected by the Omaha Community Foundation to participate in the Omaha Gives Campaign again this year. This campaign allows us to give to our church and have the opportunity to have some of our donations matched by the foundation. We participated in this online fund raiser last year and received just over $18,000 in donations. The more we donate, and the more people donate to us through this campaign the better our chances of receiving more funds from the Omaha Community Foundation. Please ask your friends, neighbors and coworkers to join us in donating on that day. They do not have to be members of Hope to donate. The campaign will be held for only 24 hours on May 25th. There will be more information on this next month.

The Egg & I loves helping non-profit organizations in our community, but it is hard to figure out how to spread out our donations to everyone. We have come up with a fun contest for the Churches in our area that will allow us to contribute to those in the community that are loyal to us. If you ask your congregation to bring their dated bulletin from your Church Services into The Egg & I any time during the month, we will donate 10% of their bill to the Church. That’s right, we will donate 10% whenever they dine — Any Day, Any Time! As an added bonus, when they dine Saturday or Sunday for Lunch – We will donate 5% more -15%

Now here is the context: Which ever church in the area has the most members visit us with their bulletin before the last day of the month we will donate an additional $100 to that church!

Our donations to the Church will be sent the first week of each month and if this program works as well as we expect, we will continue in the following months sending the donations after the completion of each month. We are looking forward to the many donations coming your way!

If you have not visited us at The Egg & I, here is a little about us:

The Egg & I was created in 1987 in Fort Collins, Colorado. From humble roots, it has expanded across the nation based on the simple premise that friendly people serving delicious food makes.

Pastor’s Pen Pastor Dave Matsumura

Dear Friends,

I was walking in my yard today inspecting my plants. It pleased me to no end to see the daffodils in various stages of growth from just starting to poke through the crusty top soil to fully blooming depending on which of the micro climes they were in. Some sections of my yard are warmer because of the reflective heat from the walls and being sheltered from the winds. Others are colder and the plants show up later, giving me a rolling parade of blooms and greenery.

I have peas and rhubarb growing, clematis greening up, daylilies about 4” tall and other plants whose names I’ve forgotten. But there are others that show no sign of surviving the winter. They lay dormant or dead and I don’t know which. Still I water them from time to time and examine them almost daily in the hopes that they will begin to ‘wake up.’ I have areas where I planted bulbs last fall. I search the area for any signs that they are resurrecting into the plants they promised to be. I take my clippers out and trim a few branches off my roses, viburnum and other shrubs so they will branch out and become fuller. And I make plans for adding, replacing and removing plants to continue the process of landscaping my yard for beauty, practicality and value. I may have lost a few bushes this winter but I won’t give up on them until I know for sure in a month or two. I hang on to hope that they will resurrect and grow strong once more.

Our church is like that. We have gone through several years of winter-like weather; hunkering down, conserving energy, battling depression and despair, grieving losses of people and vision, while holding on to life and hope for our church community. Most recently we’ve been reawakening from our slumber, creating new pathways to expand our foundations of leadership, pruning places that need to branch out more, taking stock of our resources, and looking for evidence of growth and resurrection. Some places are awakening and others will take more time, but we continue to have hope and wait. To that end the Session has agreed to move to one worship service during the summer months in order to regroup, have time to pray, reflect, plan and design what worship will look like in the fall. Beginning on May 29th and continuing through September 4th we will worship as one community at 10 AM each Sunday. We are hoping to form a praise chorus for these months made up of people who just like to sing to God with joy. That group will gather an hour before service to familiarize themselves with the songs for that service. Should be a fun time and a fun way to worship and minister to others.

I realize that for some of you, like me, you will take family vacations during the summer, missing a Sunday or two in the process. I hope and encourage you to, like me, put Hope Church on your monthly automatic bill pay with your bank so that we can continue to provide “life giving water” even in our absence. I find it very comforting to know that I’m providing for my brothers and sisters in Christ and Hope’s ministries wherever I may be. Besides, it makes it easy to fulfill my desires and pledge to God through Hope’s ministries.

Awaiting, preparing for, and desiring God’s Spirit of resurrection to pour upon us, I am your brother in Christ and fellow servant,

Pastor Dave

Fellowship  Submitted by Tracy Comba

As of this writing, the Fellowship Committee is busily preparing for the Fellowship Luncheon & Tea on April 2. We have settled on a menu, tea selection and entertainment: The Omaha Dancing Grannies. We have a number of hostesses and butlers for the afternoon and are looking forward to a full house.

Our next Bunko night is scheduled for May 6 at 5:30. Posters and sign-ups will soon appear, so come join us for a fun night of games, snacks and fun.

We are looking to schedule another trolley ride for the summer, so keep your eye out for an announcement once we have a date finalized.

A recent responsibility taken by the Fellowship Committee is scheduling Sunday morning fellowship after each service. We are asking everyone to please consider volunteering for a Sunday or two throughout the year. You do not have to do it by yourself; ask another family or friends to group together for a Sunday morning. We are asking volunteers to provide just a small snack as well as make coffee and juice. To sign up, check the sign-up list in the kitchen or contact me at tcomba@cox.net or (402) 669-9423 if you have questions or to volunteer. Please consider this opportunity to provide a time of fellowship to members and visitors alike!

PANTRY OF HOPE
The Pantry of Hope is available to help families facing food hardships. For the month of March, 240 items were distributed from the food pantry.

Thanks for your generous support.

Here is a story from the week of March 15, 2016.

Jayne received a call from an elderly man. He asked if we had a food pantry. Jayne said “Yes.” The gentleman asked what forms were needed to fill out to get some food. Jayne explained that all he needed to do was to come to the church and pick up the food. About 15 minutes later he arrived. He said he and his wife had been scammed and lost their social security money. He didn’t have enough money to cover the rest of the month. Jayne filled three bags. He appreciated the help in his time of need.

The April 8th meeting of Hope II is all about Abide: an inner city, nonprofit organization with a dream that one day we would have no inner city.

Hope II will start with a brunch at 10:00 AM at Hope Church where rolls and cake will be provided by the host for the month Roy and Kathy Andersen and Kenneth and Jolene Anderson. Bring a dish to pass. At 11:30 AM a provided bus will take the group to Abide where we will see their operation. We expect to be back to Hope Church at 2:00 PM.

We hope you will join us for all of it, but if you cannot, you can pick out the part you can come to.

The May meeting is at Vidlaks, 15668 West Center Road with our hosts Don & Ruth Turner and Darrell and Linda Pullen.

There will be an election of Officers at that time. If you have any questions call Chuck Bulger 402-862-1904
SUNDAY SCHOOL OFFERING

Eight youth and seven adults from Hope will work on a Heifer Farm in Perryville, Arkansas this summer. Our Sunday School offering for March through May will go to purchase $50 HOPE BASKETS of rabbits and chickens through Heifer International.

Offspring of these animals will be shared with other families; some can be sold. Chickens lay eggs and provide manure for gardens so this gift will help many families. For more information see www.heifer.org.

SUNDAY BIBLE STUDY CLASS

All are welcome in the library on Sundays at 10:30 am for Bible Study led by Chuck Bulger. A journey through the Old Testament has led them to Ezra-Nehemiah. These two books share the general purpose of the books of Chronicles, where they left the temple in ruins. Ezra and Nehemiah describe the rebuilding of Jerusalem, its defenses and its temple, and the reinstitution of the temple administration and religious practices Ezra disclaims against the menace of Canaanite and other foreign religious influences which would lead to divine displeasure. And rarely in the Bible is there expressed such a sense of “an intimate relationship with God and consciousness of his providence” as is found in Nehemiah. For further information contact Chuck Bulger 402-861-1904 or email clandgb@q.com.

PAGE TURNER BOOK CLUB

Book lovers are welcome the second Tuesday each month for lively and fun discussion. Sign out a book in the lobby and then join this delightful group Tuesday, April 12 as they share thoughts about “Atticus” by Ron Hansen. Rancher Atticus Cady receives word his son committed suicide. He is puzzled when he goes to recover Scott’s body and begins to suspect murder. “Atticus” is the story of a father’s steadfast love for his son. For further information contact Georgia Bulger 402-861-1904 or email clandgb@q.com.
