Children at Hope

Dr. Suess said it best: "A person's a person, no matter how small."

The Children's Ministry Committee is working hard to make sure that the smaller people at Hope have plenty of opportunities to learn and to grow their faith in Jesus Christ.

We are continuing with our monthly Children's Worship on the third Sunday of each month and weekly Sunday School. We are also planning a special egg-themed Easter event and starting to plan for Vacation Bible School.

If you have an idea for kids' activities, we welcome your input. And if you'd like to help, whether it be working with the kids or behind the scenes, we can use your gifts and talents!

Make sure your kids join us for Awesome Adventures as we learn about God's People on the Move!

Both our elementary class (1st-3rd grade) and our Middlers class (4th-5th grade) will be learning about God's people on the road. This curriculum follows comic book characters Jake and Anna as they explore the journeys found in both the Old and New Testaments.

Our PreK-Kindergarten class will also be traveling with God's people on their journey into the Promised Land. Lots of adventures await!

It's hard to believe that summer is coming with all this snow still on the ground, but it will be here before we know it.

This year, our VBS theme is ROAR! Life is Wild; God is Good.

Join us July 14-18 from 6 pm – 8 pm as we learn how God helps us through this wild life.

We are also having morning VBS July 15-18 for kids with special needs.

Watch for more details in the next couple of months. If you're interested in volunteering, please send me an email at childrenministry@hopepresbyterianchurch.org.
